A photograph of a river scene. In the foreground, the river water is greenish-brown. A large, reddish-brown rock is partially submerged on the left, and a long, light-colored log floats on the right. The middle ground shows a grassy bank with two vehicles: a white pickup truck and a dark SUV. Several people are standing near the white truck. The background is filled with dense green trees and several tall, metal electrical transmission towers under a clear blue sky.

Those not floating the
river picked up across
from the station!
